

Reporting an injury / submitting a form with NSBL

If we are not already aware, please let NSBL know of any injuries that have occurred at our session(s) or if they have worsened / escalated.

- 1) Please email basketball@nsbl.com.au with any information you can provide
Name of member, session time / date of injury
What occurred / how has it been treated since.

- 2) If you need to submit an injury / accident report form please see the next PDF file on our website (Policies & Documents page – ‘*Injury Report Form*’).
You have 120 days to submit the paperwork from the date of injury.
NSBL can assist with the forms (we have to fill in a few sections). Either bring your paperwork to your next session or email with the request / details.
It is a fairly lengthy document but worth submitting to the insurer to ensure your out of pocket expenses are covered / assisted.

This process/document will be updated if required.

Wishing you a speedy recovery!
